Ibrahim Hamed Ali Almahdy

Frontend Developer

ibrahim.hamed.almahdy@gmail.com +2001026110471 LinkedIn GitHub Egypt, Cairo

SUMMARY

Software Engineer specializing in Front-End Development, with a focus on building modern, responsive, and user-friendly web applications using React.js, Next.js, and TypeScript. Skilled in developing reusable UI components, creating interactive user interfaces, and writing clean, maintainable code. Also have a background in Back-End Development using Node.js, Express.js, MongoDB, and PostgreSQL, supporting a broader understanding of full-stack application development.

SKILLS

Programming Languages — JavaScript (ES6+), TypeScript, C++
Frontend Development — React.js, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, Sass/SCSS, Tailwind CSS, Bootstrap
State Management & Data Fetching — Zustand, TanStack Query
Backend Development — Node.js, Express.js, REST APIs
Databases — MongoDB, PostgreSQL
Development Tools — Git, GitHub, VS Code, Vite, npm, Postman

EXPERIENCE

ElmoTech, *Frontend Developer Intern* 10/2026 – Present | Mansoura, Dakahlia, Egypt
- Develop modern and responsive web interfaces using React.js, Next.js, and TypeScript.
- Build reusable UI components using Tailwind CSS and shadcn/ui.
- Manage application state and server-side data using Zustand and TanStack React Query.
- Use Git and GitHub for version control and code collaboration.

Baianat, *Front-End Developer Intern* 09/2025 – 11/2025 | Damietta, Egypt
- Studied the Software Development Life Cycle (SDLC) and its key phases.
- Learned advanced JavaScript concepts to strengthen programming skills and problem-solving abilities.
- Practiced applying JavaScript concepts through practical exercises and development tasks.

PROJECTS

BrewNest — Coffee Shop Website, *Responsive Multilingual Coffee Shop Website* 08/2026 – 08/2026
- Developed a **7-page responsive coffee shop website** as my graduation project at Hsoub Academy, based on the project requirements provided by the instructor without a pre-designed Figma file.
- Designed the website structure and UI from scratch, selecting a **coffee-inspired brown color palette** to create a consistent visual identity.
- Built the website using **HTML5, CSS3, SCSS, Bootstrap 5, JavaScript (ES6+), and Vite**.
- Added **Arabic and English language support** using i18next, including full **RTL/LTR direction support**.
- Implemented **responsive design, animations, form validation**, and other interactive features to improve the user experience.
- Structured the project with scalability in mind, with plans to **extend it into a full-stack application** in the future.

TRAINING & PROFESSIONAL DEVELOPMENT

Creativa Innovation Hub, *Back-End Development Trainee* 09/2026 – 11/2026 | Port Said, Egypt
- Studied back-end development using JavaScript, TypeScript, Node.js, and Express.js.
- Practiced building RESTful APIs and implementing CRUD operations.
- Worked with MongoDB and PostgreSQL fundamentals.
- Applied request validation and middleware concepts in Express.js.

Information Technology Institute (ITI), *Web Development Using React JS Trainee* 08/2026 – 09/2026 | Port Said, Egypt
- Completed 144 hours of practical training in front-end web development using HTML5, CSS3, JavaScript, Bootstrap, Tailwind CSS, and React.js.
- Practiced building responsive user interfaces and reusable React components.
- Applied modern front-end development concepts through hands-on projects.

Hsoub Academy, *Front-End Web Development Trainee* 05/2025 – 08/2026 | Online
- Studied front-end web development using HTML5, CSS3, Sass/SCSS, JavaScript, and Bootstrap.
- Built 10 responsive landing pages and developed practical projects, including e-commerce interfaces and dashboards.
- Practiced version control using Git and GitHub.
- Worked with modern front-end development tools, including Webpack and Vite.
- Applied responsive design principles to create interactive and user-friendly interfaces.

EDUCATION

Damietta University, *Bachelor of Business Administration* 09/2024 – Present | Damietta, Egypt
Currently a third-year student pursuing a Bachelor's degree in Business Administration. Expected Graduation: 2028.
